

MEMBERSHIP INFORMATION 2016/17 SEASON

The Cards Trust is an independent supporters' trust, established as an Industrial and Provident Society in 2008, under the name of the Cardinals Supporters' Society Ltd.

To join the Trust or to renew your membership, please just fill in the application form overleaf and post it with your subscription to the address shown - or hand it in at the Club Shop.

The key aims of The Cards Trust are to:

- Work in partnership with Woking F.C. to ensure its viability and success
- Represent Woking F.C. supporters and ensure their voice is heard in decisions affecting the Club
- Provide a range of services and benefits for Trust members and other Woking F.C. supporters

The Cards Trust Board is working to achieve these aims by:

- Encouraging as many Woking F.C. supporters as possible to become members of the Trust in order to strengthen its role as the principal body representing supporters' interests
- Liaising with Club representatives to ensure that the Trust is well-informed, and consulted, about key issues affecting Woking F.C. and is able to offer its support whenever practicable
- Raising funds and using them as far as practicable to support the Club, and to enhance the Trust's influence, through the purchase of shares in Woking F.C.
- Supporting the Club in its fundraising initiatives
- Ensuring that members receive information, and are consulted, regularly about the Trust's activities and matters affecting the future of the Club
- Using the Trust's influence in the best long-term interests of the Club and its supporters
- Providing benefits for supporters such as discounted coach travel to away games, priority Ticket Sales for all-ticket fixtures, home or away and members' discounts in association with the Football Club and commercial organisations.

The Cards have improved their performance year on year recently and this is partly because of a Cards Trust initiative to help Woking F.C. have a better playing budget, which we hope will also take us further forward in 2016-17 and in subsequent seasons. **Boost the Budget** is a straightforward way that fans can make a big difference by contributing from £10 a month to boost the playing budget and, at the same time, increase the Trust's shareholding in the Football Club.
